

Donor Thank You Report

FALL
2021

DURING THE PANDEMIC, WE HAVE ENSURED THAT
CURIOSITY NEVER CLOSES. USING THE CRISIS AS A
CATALYST, WE INCREASED OUR SERVICE THE COMMUNITY
AND DEEPENED OUR COMMITMENT TO UNDERSERVED YOUTH.

Special thanks to the 1,129 donors who gave between \$1 - \$499. Your collective support provided more than \$74,000 in essential funds to increase access to science throughout our community.

Every effort has been made to confirm the accuracy of this list. If you find an error, please don't hesitate to contact us at development@pacsci.org

Your Impact by the Numbers

32,878
Students served

755
Programs across
Washington and the US

18,612
Students in Title I
schools

"A fellow teacher said that he was very pleased with the Virtual Field Trip because it has been so hard to teach science this year. The tools you use really bring the subject to life and is the next best thing for the students to experience biological samples."

"That was an amazing presentation! The kids were so engaged. Some kids who never speak were making observations, which I was so happy to see! Thank you for all the work you put into organizing this."

“

I THINK WHAT MAKES THESE ZOOM EVENTS DIFFERENT ARE THE CLOSE UP SHOTS, DIFFERENT CAMERA ANGLES, THE AMOUNT OF TIME SPENT ASKING THE STUDENTS FOR FEEDBACK, AND THE CRITICAL THINKING ASPECT.

476,000

Virtual visits to Curiosity at Home, each one completely free

163,000

Youth, family & teachers explored their curiosity

"The PacSci Live Science Shows on YouTube are saving me while working from home and homeschooling - my first grader is obsessed! The demonstrators are so wonderful and engaging. Please know that at least one household is begging for more, and I've shared the Live Science Shows with my friends as well!"

"Instructional techniques, content knowledge, and student engagement were spot on. It was very easy to view the specimens - which is tricky to do in a virtual environment. The kids all had a chance to respond and ask questions. You have really perfected presenting over Zoom! Kudos! The kids loved it and learned a lot."

3,300

Students served in
summer camps

248

Sensory-friendly sessions

147

girls-focused sessions

178

Full scholarships awarded

"Receiving a scholarship from the Pacific Science Center has gifted my kids a little bit of "normal" this year. They will be able to attend a summer camp in person which they missed so much last summer. Because of the pandemic, our household salary has been reduced and anything extra like a fun summer camp is not currently financially possible. Thanks to the generous gift from PacSci my kids will be anxiously counting down the days until they can head to camp and grow their strong minds!"

"As a single mom who is working two jobs to make ends meet, this scholarship has made it possible for my two kiddos to attend PacSci camp. I never would have thought it would be possible, but this summer my kids are so excited to attend!"

"I am a single mom and thanks to the scholarship, I am so grateful for my curious boy to be attending one of the most exciting science summer camp programs organized by PacSci, without me worrying about the cost!"

“

COVID WAS A VERY TOUGH YEAR FOR OUR KIDS AS WE HAD GRANDPARENTS DIE OF COVID, COMPLETE SOCIAL ISOLATION, AND UNACHIEVABLE EXPECTATIONS FOR REMOTE LEARNING. AS A FAMILY WITH FEW FINANCIAL RESOURCES, OUR PACIFIC SCIENCE CENTER SCHOLARSHIPS HAVE COMPLETELY LIFTED OUR YOUNG CHILDREN'S SPIRITS, GIVEN THEM AN ENORMOUS OPPORTUNITY TO FOCUS ON SCIENCE WITH OTHER KIDS AND INSPIRE THEIR LOVE OF CURIOSITY. WE COULDN'T AFFORD OTHER INTELLECTUAL SUPPORT FOR THEM THIS YEAR AND THESE SCHOLARSHIPS WILL REALLY HELP EVEN THE PLAYING FIELD FOR OUR KIDS. WE ARE OVER THE MOON ON THIS PROFOUND GIFT!

TOGETHER WE CAN IGNITE CURIOSITY AND FUEL
A PASSION FOR DISCOVERY, EXPERIMENTATION,
AND CRITICAL THINKING FOR ALL KINDS OF KIDS
AND ALL KINDS OF FAMILIES.
