## Pacific Science Center Corporate Membership FAQs

### **Can I access my discounts online or via email?**

- No, Corporate Member discounts can only be received in-person at Pacific Science Center

### **How can I stay up to date?**

- Email [corporaterelations@pacsci.org](mailto:corporaterelations@pacsci.org) for your Corporate Membership Card, which has an option for you to sign up for our newsletter using your work email address. We will communicate upcoming events and perks monthly!

### **I work at Microsoft. What perks do I get?**

- All Microsoft perks are managed through the Prime Passport app. Contact your benefits administrator or search for 'Pacific Science Center' in the Passport app for more information.

### **Can I download a digital membership card and add it to my Apple wallet?**

- No. We can send you a digital Corporate Membership Card, but it is not the same format as a standard PacSci Membership Card and cannot be added to an Apple wallet or other digital wallet. You will still need proof of employment to access your benefits.

### **What does Corporate Membership support?**

- Corporate Members are companies that make philanthropic donations to Pacific Science Center to unlock admission benefits and discounts for their employees while supporting the mission of PacSci to ignite curiosity in every child and fuel a passion for discovery, experimentation, and critical thinking in all of us. As a nonprofit organization, individual and corporate members power the science center and remove barriers to access for other community members.
